## **The following are a selection of General Comments on the event**

- Programme was interesting but as said in the opening presentation not aimed at the specialist nurses. Interesting but at my level confirmed what we know. Regardless I still enjoyed the event and speakers
- Thoroughly enjoyed
- Thanks for the information
- Would have liked more case studies and examples of the legal implications.
- Can you do some events down south e.g. Hampshire
- Mr Tan's talk was very beneficial and relevant to current issues faced with healthcare
- Enjoyable day friendly group of people
- A valuable insight into wound care on a national level. Peter tan was fantastic
- Good day. I am a student so found it very interesting and informative.
- Enjoyable day. Has increased my awareness and thinking round pressure ulcers
- Very informative day, lots of valuable information
- Plenty of references for further learning
- I am glad I came. I have gained a huge amount of wound care knowledge
- Great for a non-clinician
- Great information day
- Thank you enjoyed the day immensely
- Great booking system, only booked yesterday
- Would like all slides given as handouts
- Very basic for a qualified nurse. More for students or newly qualified
