The following are a selection of General Comments on the event

- A great day. Thank you.
- Interesting and some good information given
- The pressure ulcer lecturer was brilliant
- Enjoyed the day. Informative and relevant
- Speakers from different backgrounds which was good – valuable
- Excellent study day
- Well-presented and an excellent venue
- Enjoyed the day great education. Knowledgeable lecturers. IT was not good
- Very good lectures
- Enjoyed the day. Great to see improvements in dressings available. As always assessment of wounds being the most important along with patients understanding and compliance
- Was worth attending
- Gained a lot of information
- I really liked the wound assessment workshop and Toni's pressure care
- Thank you for a truly excellent day
- Very interesting topics – well organised
- The day passed by at good speed with no lag in long sessions
- Enjoyable day nice to meet with other people from different areas to share knowledge
- Excellent as usual
- Very well organised and looking forward to next event
- Worth paying more than £10.00

- Looking forward to next year
- Jackie Stephen – Haynes is an extremely knowledgeable presenter
- Very well organised and informative day all sessions excellent
- Have thoroughly enjoyed it – many thanks to everyone for their input
- Interesting – but does really under describes event – it was brilliant. Literally makes me want to go to work in tissue viability – something I never thought I would say!!
- I enjoyed the event
