The following are a selection of General Comments on the event.

- Need a coffee break in the afternoon
- Would like more time for questions
- Split surgical wounds in the morning and dressings and pressure sores in the afternoon
- Really comfortable venue and well thought out programme
- Occasionally difficult to hear speakers
- An amazing event
- Not heard of oxygen therapy which we were taught
- Tracey brilliant speaker
- Excellent talks and agenda. Time seemed to be an issue – a little rushed
- A thoroughly enjoyable seminar Excellent day, although afternoon sessions long
- Menna Lloyd Jones – real shame couldn't hear her
- Would have liked handouts
- Copy of speaker's slides would be helpful
- Thank you for a really interesting and well run day
- Lots of information and freebies from reps
- Very good lunch, gluten free well catered for
- Lunch break could be shorter
- I didn't think anything would apply to my line of work but I found it very informative and engaging
- Enjoyed the day and hopefully will be attending future seminars
- The venue is good for speakers sessions and was comfortable and warm
- Lunch was a bit dull
- Difficult to hear some speakers
- Travel was long from London. Study day was well worth it. Great value, thank you very much
- Excellent course, thank you, well presented
- Microphone needed for a couple of speakers. Had to turn off air conditioning which then made the room cold
- Great. Enabled me to network to arrange a W.C. conference
- Amazing course, would like to attend more
- Tracey McKenzie – excellent presentation and speaker.
